Upcoming Acquisitions

U.S. AIR FORCE

Project: DMSI/DMLS Sustainment Consolidation

- **Objective:** Consolidate support for the following:
 - G005M (Depot Maintenance Materiel Support System) (DMMSS)
 - E046B (AFMC Labor Standards Data System) (ALSDS)
 - G004L (Job Order Production Master System) (JOPMS)
 - G402A (Exchangeables Production System) (EPS)
 - D357 (Reparability Forecast Model) (RFM)
 - G004C (Depot Maintenance Workload Planning and Control System) (DMWPCS)
 - Quality Information Management Standard System (QIMSS)
 - G019C (Management of Items Subject to Repair) (MISTR)
- **Scope:** Consolidation will include sustainment, modification, and support of these systems; and support the transition/migration to the ECSS.
- **Acquisition Approach:** TBD
- **Timeframe:** April 2012
- **Dollar Value:** \$20M – \$25M

Approximate RFP: November 2011

POC: Contracting Officer – Ann Obringer (937) 257-5136

U.S. AIR FORCE

Upcoming Acquisitions

Project: AMREP/ITS Sustainment Consolidation

- **Objective:** Consolidate Support for G337 (Inventory Tracking System (ITS) and A030D (Aircraft Maintenance Production/Compression Report System (AMREP) currently supported by two large business prime contractors
- **Scope:** Consolidation will include software maintenance, sustainment, modification, and support of these systems; and support the transition/migration to the ECSS.
- **Acquisition Approach:** 8A SB Set aside (trade-off between past performance and price)
- **Timeframe:** April 2012
- **Dollar Value:** : \$5M – \$10M

Approximate RFP: November 2011

POC: Contracting Officer – Ann Obringer (937) 257-5136

Upcoming Acquisitions

U.S. AIR FORCE

Project: Subject Matter Expert (SME) Contract

- **Objective:** Obtain Subject Matter Experts (SME) with experience in REMIS
- **Scope:** Experience with Equipment Inventory, Multiple Status and Utilization Reporting Subsystem (EIMSURS), Product Performance Subsystem (PPS) and Generic Configuration Status Accounting Subsystem (GCSAS) in REMIS
- **Acquisition Approach:** TBD
- **Timeframe:** Expect to release request for proposal in March 2012 with award in June 2012
- **Dollar Value:** \$3 – 5M

Approximate RFP: March 2012

POC: Contracting Officer – Ann Obringer (937) 257-5136

Upcoming Acquisitions

U.S. AIR FORCE

Project: Integrated Logistics Systems-Supply (ILS-S)

- **Objective:** Develop, field, and sustain ILS-S application capabilities
- **Scope:** Base year plus three one year option periods
- **Acquisition Approach:** Full and Open Competition
- **Timeframe:** Target award date is anticipated late May 2012
- **Dollar Value:** \$10 - \$20M

Approximate RFP: Dec 2011

POC: Contracting Officer - Ms. Sherrita Muse (334) 416-4316

U.S. AIR FORCE

Upcoming Acquisitions

Project: Cargo Movement Operations System (CMOS) and On-Line Vehicle Interactive Management System (OLVIMS) Technical Support

- **Objective:** Re-competition of Technical Support for the CMOS and OLVIMS PMOs
- **Scope:** Provide non-personal technical services to support the sustainment, development, test, integration, training, and implementation of CMOS and OLVIMS software applications
- **Acquisition Approach:** NETCENTS I - Competitive
- **Timeframe:** Awarded (tentatively) summer 2012
- **Dollar Value:** \$5M

Approximate RFP: April 2012

POC: Contracting Officer - Ms. Sharon Stallings, 334-416-1659

How Industry Can Help

U.S. AIR FORCE

- **Help us deliver what we promise when we promise**
- **Open communication to ensure program success**
 - **Frequent meetings between corporate and government senior management to continuously monitor progress**
- **Look beyond just satisfying contract requirements**
 - **Put yourself in the user's shoes**
 - **Recognize current user challenges and anticipate future ones**
 - **Partner with us to provide innovative solutions**
- **Provide a rapid response to requests for information on system changes / ROMs**
- **Provide Integrated capabilities vice stove pipe solutions**
